

SATURDAY, JAN. 2, 1892.

Wishing You

A happy New Year, and thanking you, one and all, for your kind patronage for the past year, 1891, we are yours truly,

GRAAF & KLINE

The Presbyterian choir meets at the church to-night at 8 o'clock.

Passenger train No. 3 will arrive at 9 p. m., No. 1 ten minutes later.

The schools all open up again on Monday, or, as one teacher puts it, trouble begins again.

The Albuquerque Democrat issued four extra pages yesterday morning of a review of the past year.

Show cases, desk tables, oil paintings, organ, music boxes, and other goods must be sold regardless of price. A. Isaac.

The new time table which goes into effect to-morrow makes no change in the running of passenger trains at this place.

An elegant \$10,000 store building will be erected on the West Side this spring by some of our enterprising citizens. It will be in a conspicuous location.

Subscribers should put up boxes to insure proper delivery of their papers. Any failure on the part of carriers to promptly deliver papers should be reported at this office.

The funeral of Antonio Nolan took place this afternoon from the West Side Catholic church. The St. Joseph's band played and marched at the head of the procession. Judging from the number of people who attended the funeral Antonio Nolan was beloved.

A sale of lots was made the other day to a party who intends to put up a neat hotel of the cost of about \$8,000 to accommodate more particularly those who are invalids and want extra attention. The agitation of a good hotel and sanitarium is thus doing good already.

The commercial review of the town given by the Albuquerque papers does not tally. The Citizen claimed a million dollars of building has been done the past year, and the Democrat puts it at three-fourths of a million. One gives their Commercial club building at \$65,000 and the other at \$55,000. Better revise figures, gentlemen.

The first meeting of the Mutual Fish and Game Protective association will be held in Las Vegas between the 10th and 20th of April, 1892. The following gentlemen are the officers: President, T. Crispell, Las Vegas; Vice-President, Chas. C. Bahney, Socorro; Treasurer, A. M. Codington, Albuquerque; Secretary, C. P. Hill, Albuquerque. We understand there is to be a grand territorial tournament at the meeting. It will probably take place on the base ball grounds. The gun clubs of Texas and Arizona will take part.

One young gentleman here has adopted the following constitution and by-laws for this year. The report as to how well he keeps them will be made later on:

I resolve the coming year that I will not drink any unless I am thirsty.

That if I can not find a man after my own heart, I will seek a woman.

That I will let people mind their own business and will assist them all I can.

That I will agree to obey my superiors if I have any.

That I will send my next spring poem to the editor instead of taking it.

That I will get married this year if the girl I want will ask me.

Don't.

Don't leave your lady partner to speak to a gentleman and forget her.

Don't stop in the middle of a waltz and interrupt other waltzers.

Don't bow to your partner as though it was too much trouble.

Don't point your finger at a clumsy dancer in public.

Don't bump or collide with the other dancers.

Don't sit on the chairs intended for the tired dancers when you are only a wallflower.

Testing the Baking Powders.

Comparative Worth Illustrated,

BY PROF. PETER COLLIER, LATE CHEMIST IN CHIEF OF THE DEPARTMENT OF AGRICULTURE, WASHINGTON, D. C.

DR. PRICE'S.....	Pure Cream Tartar.
ROYAL.....	Contains Ammonia.
UNRIVALED.....	Alum and Ammonia.
Taylor's 1 Spoon.....	Alum and Ammonia.
MONARCH.....	Alum and Ammonia.
SNOW BALL.....	Alum and Ammonia.
CALUMET.....	Contains Alum.

FAIRBANKS.....	Alum and Ammonia.
MILK.....	Alum and Ammonia.
SHEPARD'S.....	Alum and Ammonia.
HON DON.....	Contains Alum.
FOREST CITY.....	Alum and Ammonia.
CHICAGO YEAST.....	Alum and Ammonia.
CROWN.....	Alum and Ammonia.
SILVER STAR.....	Alum and Ammonia.
DODSON & HILL.....	Alum and Ammonia.

Above diagram was drawn and verified in all its details by Prof. Peter Collier, who is pre-eminent as a Chemist, and Scientist. The illustration is made in accordance with his chemical tests of each brand enumerated.

The Carbonic acid gas was calculated to get the leavening strength and the quantitative analysis to ascertain the comparative wholesomeness, purity, and general usefulness of the leading Powders. The result of Prof. Collier's examination and test, reveals the fact, that, with but one exception, every brand tested contained either Ammonia or Alum, and a number both.

Not one woman in ten thousand would use an Ammonia or Alum Baking Powder if she knew it. Such Powders not only undermine the health, but ammonia imparts a sallow or blotched complexion.

NOTE.—Dr. Price's Cream Baking Powder, as shown by Prof. Collier's examinations, is the only pure Cream Tartar Powder found free from adulteration and the highest in strength. All authorities found Dr. Price's free from Ammonia, Alum, Lime, or any other adulterant. The purity of this ideal Powder has never been questioned.

★ Indicates the Powder containing both Ammonia or Alum.

While the diagram shows some of these Ammonia or Alum Powders to be of higher strength than others classed below them, it must not be taken that they possess any value. All Ammonia or Alum powders should be avoided as dangerous, no matter how high their strength.

THE HOSE COMPANY'S BALL.

Hose company No. 1 gave its tenth annual ball at the Tamme opera house on Thursday night. The hall was filled with a perfect blaze of sparkling beauty. In the misty whirl of the dance, through the mazes of the alighting, pirouetting and curvetting we could see every moment something new to strike our attention—such a handsome costume or a pretty face. The representative business men were there and the members of the fire companies attended in large numbers.

The following are some of the persons we noticed there:

Messrs Gregory, Ilfeld, Essenger, Judell, Seewald, Hardy, Mackay, Reed, Sprieder, Marshall, Haydon, Dick, Stewart, Hill, Quinley, Still, Cavanaugh, Daniels, Hoffman, Gatchell, Tamme, Haggert, Rodes, Erway, Molton, Schaum, Wood, McElroy, Alex McElroy, Patty, Moye, Rosenthal, Manca, Manning, Hanley, Swaggert, Oldham, Fuller, Manly, Rogers, Ray, Koblit, W. Just before the first waltz it was announced the ladies would fill the programs, which they did in a way that pleased every one. The class has been requested to give another soon.
